Name of the Programme: Guidance for Competitive Exams

Date: From 20-1-2014 to 12-2-2014

Report of the Programme

The Training & Placement cell of DNRCE and in association with COIGN conducted a special session on Guidance for Competitive Exams in diamond jubilee seminar hall from 19-1-2014 to 12-2-2014. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, Mr.D.D.P. Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their competitive skills. The trainers were addressing the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

During the first week of the session, trainer dealt the topics on Quantitative Aptitude such as Number systems, Percentages, Ratio and Proportions and its applications etc., In the second week of the session, another trainer dealt the topics on functional English such as Parts of speech, Subject verb agreement, tenses, etc., During the last week of the session, the trainer gave some useful information and tips on Reasoning aptitude such as Analogy, Blood relations, sitting arrangement etc.,

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their competitive skills. The session ended with a vote of thanks by Training & Placement officer, Mr. D.D.P Varma.

Name of the Programme: Guidance for Competitive Exams

Date: From 19-1-2015 to 12-2-2015

Report of the Programme

The Training & Placement cell of DNR CET and in association with COIGN conducted a special session on Guidance for Competitive Exams, Inauguration in diamond jubilee seminar hall from 19-1-2015 to 12-2-2015. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, DDP.Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their competitive skills. The trainers were addressing the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

During this session, trainer dealt that there are many competitive exams that are conducted in India, either to get admission for further studies or to get into a job directly. A graduation degree opens the gateway for many competitive exams and qualifying these exams prove to be the milestone for future careers, and the trainer dealt that Banking jobs like SBI PO's, IBPS PO's and more exams related to banking and some jobs related to Insurance related jobs and some jobs related to Group -B .

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their skills and made them more confident to appear for competitive exams and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Guidance for Competitive Exams

Date: From 20-1-2016 to 12-2-2016

Report of the Programme

The Training & Placement cell of DNRCE and in association with COIGN conducted a special session on Guidance for Competitive Exams, Inauguration in diamond jubilee seminar hall from 20-1-2016 to 12-2-2016. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, Mr.D.D.P Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their competitive skills. The trainers were addressing the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

During the first week of the session, trainer dealt the topics on Quantitative Aptitude such as Number systems, Percentages, Ratio and Proportions and its applications etc., In the second week of the session, another trainer dealt the topics on functional English such as Parts of speech, Subject verb agreement, tenses, etc., During the last week of the session, the trainer gave some useful information and tips on Reasoning aptitude such as Analogy, Blood relations, sitting arrangement etc.,

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their skills and made them more confident to appear for competitive exams and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Guidance for Competitive Exams

Date: From 19-1-2017 to 13-2-2017

Report of the Programme

The Training & Placement cell of DNRCET and in association with COIGN conducted a special session on Guidance for Competitive Exams, Inauguration in diamond jubilee seminar hall from 19-1-2017 to 13-2-2017. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, DDP.Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their competitive skills. The trainers were addressing the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

During this session, trainer dealt that there are many competitive exams that are conducted in India, either to get admission for further studies or to get into a job directly. A graduation degree opens the gateway for many competitive exams and qualifying these exams prove to be the milestone for future careers, i.e., Common Admission Test (CAT), Common Management Admission Test (CMAT), Xavier Aptitude Test (XAT), Management Aptitude Test (MAT) for Management Studies. And for Foreign education we can use Graduate Management Admission Test (GMAT) and Graduate Record Examinations (GRE) and For MTech and ME we can choose Graduate Aptitude Test in Engineering (GATE) and for government jobs choose Civil Services Examination (CSE), Indian Economic Service Examination (IES), and Indian Statistical Service Examination (ISS). And the trainer dealt that Banking jobs like SBI PO's, IBPS PO's and more exams related to banking and some jobs related to Insurance related jobs and some jobs related to Group -B .

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their skills and made them more confident to appear for competitive exams and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Guidance for Competitive Exams

Date: From 19-1-2018 to 12-2-2018

Report of the Programme

The Training & Placement cell of DNRCET and in association with COIGN conducted a special session on Guidance for Competitive Exams, Inauguration in diamond jubilee seminar hall from 19-1-2018 to 12-2-2018. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, Mr.D.D.P Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their competitive skills. The trainers were addressing the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

During the first week of the session, trainer dealt the topics on Quantitative Aptitude such as Number systems, Percentages, Ratio and Proportions and its applications etc., In the second week of the session, another trainer dealt the topics on functional English such as Parts of speech, Subject verb agreement, tenses, etc., During the last week of the session, the trainer gave some useful information and tips on Reasoning aptitude such as Analogy, Blood relations, sitting arrangement etc.,

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their skills and made them more confident to appear for competitive exams and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Career Counselling

Date: 20.08.2013 to 06.09.2013

Report of the Programme

The Training & Placement cell of DNR CET and in association with IBS (ICFAI BUSINESS SCHOOL, HYDERABAD) conducted a special session on Career Counselling, Inauguration in diamond jubilee seminar hall from 20.08.2013 to 06.09.2013. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, DDP.Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their competitive skills. The trainers were addressing the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

During the session, the counsellor addressed the gathering with a story which asked students to not be like 'Half-baked engineers' and encouraged them towards Internships and Apprenticeship after listing the plus points involved with it and urged students to take up apprenticeship to be more job efficient. He spoke in brief about 'The Apprentice act of 1961' and how it is possible to work in different companies under this act. He mentioned of a website 'mhrdnats.gov.in' which helps make the process of applying for apprenticeship easier as most of the steps are to be done online and being a national portal, there are many companies tied along with it. The speaker also gave information about different career guidance options for higher education and on the various options for higher studies abroad. He first spread out the career options in the public sectors and then went on to talk about MBA as a career opportunity. He suggested a few good colleges to consider like IIM's and Symbiosis. He also covered other countries with respect to cost, course duration, work availability, etc. A few of which mentioned included Australia, USA, London, Canada, New Zealand, etc. Overall the programme helped the students to have a better understanding of the opportunities that could be offered by Apprenticeship, Entrepreneurship and Higher education.

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their competitive skills and made them more confident to appear for competitive exams and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Career Counselling

Date: 20.08.2014 to 06.09.2014

Report of the Programme

The Training & Placement cell of DNRCET and in association with IBS (ICFAI BUSINESS SCHOOL, HYDERABAD) conducted a special session on Career Counselling, Inauguration in diamond jubilee seminar hall from 20.08.2014 to 06.09.2014. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, DDP.Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their competitive skills. The trainers were addressing the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

During the first week of the session, the counsellor addressed the gathering with a story which asked students to not be like 'Half-baked engineers' and encouraged them towards Internships and Apprenticeship after listing the plus points involved with it and urged students to take up apprenticeship to be more job efficient. He mentioned of a website 'mhrdnats.gov.in' which helps make the process of applying for apprenticeship easier as most of the steps are to be done online and being a national portal, there are many companies tied along with it. The speaker also gave information about different career guidance options for higher education and on the various options for higher studies abroad. He first spread out the career options in the public sectors and then went on to talk about MBA as a career opportunity. A few of which mentioned included Australia, USA, London, Canada, New Zealand, etc. Overall the programme helped the students to have a better understanding of the opportunities that could be offered by Apprenticeship, Entrepreneurship and Higher education.

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their competitive skills and made them more confident to appear for competitive exams and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Career Counselling

Date: 20.08.2015 to 06.09.2015

Report of the Programme

The Training & Placement cell of Dnrcet and in association with IBS(ICFAI BUSINESS SCHOOL, HYDERABAD) conducted a special session on Career Counselling, Inauguration in diamond jubilee seminar hall from 20.08.2015 to 06.09.2015. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, DDP.Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their competitive skills. The trainers were addressing the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

During the first week of the session, the counsellor addressed the gathering with a story which asked students to not be like 'Half-baked engineers' and encouraged them towards Internships and Apprenticeship after listing the plus points involved with it and urged students to take up apprenticeship to be more job efficient. He spoke in brief about 'He first spread out the career options in the public sectors and then went on to talk about MBA as a career opportunity. He suggested a few good colleges to consider like IIM's and Symbiosis. He also covered other countries with respect to cost, course duration, work availability, etc. A few of which mentioned included Australia, USA, London, Canada, New Zealand, etc. Overall the programme helped the students to have a better understanding of the opportunities that could be offered by Apprenticeship, Entrepreneurship and Higher education.

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their competitive skills and made them more confident to appear for competitive exams and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Career Counselling

Date: 20.08.2016 to 06.09.2016

Report of the Programme

The Training & Placement cell of DNRCE and in association with IBS (ICFAI BUSINESS SCHOOL, HYDERABAD) conducted a special session on Career Counselling, Inauguration in diamond jubilee seminar hall from 20.08.2016 to 06.09.2016. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, DDP.Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their competitive skills. The trainers were addressing the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

During the first week of the session, the counsellor addressed the gathering with a story which asked students to not be like 'Half-baked engineers' and encouraged them towards Internships and Apprenticeship after listing the plus points involved with it and urged students to take up apprenticeship to be more job efficient. He first spread out the career options in the public sectors and then went on to talk about MBA as a career opportunity. He suggested a few good colleges to consider like IIM's and Symbiosis. He also covered other countries with respect to cost, course duration, work availability, etc. A few of which mentioned included Australia, USA, London, Canada, New Zealand, etc. Overall the programme helped the students to have a better understanding of the opportunities that could be offered by Apprenticeship, Entrepreneurship and Higher education.

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their competitive skills and made them more confident to appear for competitive exams and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Career Counselling

Date: 21.08.2017 to 06.09.2017

Report of the Programme

The Training & Placement cell of DNRCET and in association with IBS (ICFAI BUSINESS SCHOOL, HYDERABAD) conducted a special session on Career Counselling, Inauguration in diamond jubilee seminar hall from 21.08.2017 to 06.09.2017. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, DDP.Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their competitive skills. The trainers were addressing the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

During the first week of the session, the counsellor addressed the gathering to take up apprenticeship to be more job efficient. He spoke in brief about 'The Apprentice act of 1961' and how it is possible to work in different companies under this act. He mentioned of a website 'mhrdnats.gov.in' which helps make the process of applying for apprenticeship easier as most of the steps are to be done online and being a national portal, there are many companies tied along with it. The speaker also gave information about different career guidance options for higher education and on the various options for higher studies abroad. A few of which mentioned included Australia, USA, London, Canada, New Zealand, etc. Overall the programme helped the students to have a better understanding of the opportunities that could be offered by Apprenticeship, Entrepreneurship and Higher education.

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their competitive skills and made them more confident to appear for competitive exams and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Soft skills Guidance

Date: From 20-09-2013 to 06-10-2013

Report of the Programme

The Training & Placement cell of DNRCET and in association with COIGN conducted a special session on Guidance for Soft Skills, Inauguration in diamond jubilee seminar hall from 20-09-2013 to 06-10-2013. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, DDP.Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their skills. The trainers addressed the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

With the number of college graduates rising every year, employers are becoming critical and strategic in selection of the recruits. The engineering industry nowadays not only looks for technical skills but also the overall personality of its recruits. To bridge the gap between requirements of the industry and the skills of the students, Soft Skills Development Program is being organized for B.Tech students. The session aimed at inculcating and building upon the basic soft skills that are required by every student while appearing for the recruitment process of any company. Soft skills are identified as the most critical skills in the current global job market especially in the fast moving era of technology. This session focus on tips for attending Interviews, SWOT (Strength Weakness Opportunity Threat) Analysis, Writing & Communication skills, Resume Writing, Group Discussions, Report writing, Team building, time management and Presentation Skills.

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their skills and made them more confident to appear for interviews and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Soft skills Guidance

Date: From 21-09-2014 to 06-10-2014

Report of the Programme

The Training & Placement cell of DNRCE and in association with COIGN conducted a special session on Guidance for Soft Skills, Inauguration in diamond jubilee seminar hall from 21-09-2014 to 06-10-2014. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, DDP.Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their skills. The trainers addressed the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

With the number of college graduates rising every year, employers are becoming critical and strategic in selection of the recruits. The engineering industry nowadays not only looks for technical skills but also the overall personality of its recruits. To bridge the gap between requirements of the industry and the skills of the students, Soft Skills Development Program is being organized for B.Tech students. The session aimed at inculcating and building upon the basic soft skills that are required by every student while appearing for the recruitment process of any company. Soft skills are identified as the most critical skills in the current global job market especially in the fast moving era of technology. This session focus on tips for attending Interviews, SWOT (Strength Weakness Opportunity Threat) Analysis, Writing & Communication skills, Resume Writing, Group Discussions, Report writing, Team building, time management and Presentation Skills.

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their skills and made them more confident to appear for interviews and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Soft skills Guidance

Date: From 22-09-2015 to 08-10-2015

Report of the Programme

The Training & Placement cell of DNR CET and in association with COIGN conducted a special session on Guidance for Soft Skills, Inauguration in diamond jubilee seminar hall from 22-09-2015 to 08-10-2015. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, DDP.Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their skills. The trainers addressed the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

With the number of college graduates rising every year, employers are becoming critical and strategic in selection of the recruits. The engineering industry nowadays not only looks for technical skills but also the overall personality of its recruits. To bridge the gap between requirements of the industry and the skills of the students, Soft Skills Development Program is being organized for B.Tech students. The session aimed at inculcating and building upon the basic soft skills that are required by every student while appearing for the recruitment process of any company. Soft skills are identified as the most critical skills in the current global job market especially in the fast moving era of technology. This session focus on tips for attending Interviews, SWOT (Strength Weakness Opportunity Threat) Analysis, Writing & Communication skills, Resume Writing, Group Discussions, Report writing, Team building, time management and Presentation Skills.

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their skills and made them more confident to appear for interviews and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Soft skills Guidance

Date: From 21-09-2016 to 07-10-2016

Report of the Programme

The Training & Placement cell of DNR CET and in association with COIGN conducted a special session on Guidance for Soft Skills, Inauguration in diamond jubilee seminar hall from 21-09-2016 to 07-10-2016. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, DDP.Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their skills. The trainers addressed the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

With the number of college graduates rising every year, employers are becoming critical and strategic in selection of the recruits. The engineering industry nowadays not only looks for technical skills but also the overall personality of its recruits. To bridge the gap between requirements of the industry and the skills of the students, Soft Skills Development Program is being organized for B.Tech students. The session aimed at inculcating and building upon the basic soft skills that are required by every student while appearing for the recruitment process of any company. Soft skills are identified as the most critical skills in the current global job market especially in the fast moving era of technology. This session focus on tips for attending Interviews, SWOT (Strength Weakness Opportunity Threat) Analysis, Writing & Communication skills, Resume Writing, Group Discussions, Report writing, Team building, time management and Presentation Skills.

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their skills and made them more confident to appear for interviews and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Soft skills Guidance

Date: From 21-09-2017 to 06-10-2017

Report of the Programme

The Training & Placement cell of DNR CET and in association with COIGN conducted a special session on Guidance for Soft Skills, Inauguration in diamond jubilee seminar hall from 21-09-2017 to 06-10-2017. This programme was initiated by Principal Dr. U. Rangaraju with a motivational speech.

After initiation speech was given by the principal, The Training & Placement officer, DDP.Varma urged the students to make use of the special session to the maximum extent possible in order to enhance their skills. The trainers addressed the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

With the number of college graduates rising every year, employers are becoming critical and strategic in selection of the recruits. The engineering industry nowadays not only looks for technical skills but also the overall personality of its recruits. To bridge the gap between requirements of the industry and the skills of the students, Soft Skills Development Program is being organized for B.Tech students. The session aimed at inculcating and building upon the basic soft skills that are required by every student while appearing for the recruitment process of any company. Soft skills are identified as the most critical skills in the current global job market especially in the fast moving era of technology. This session focus on tips for attending Interviews, SWOT (Strength Weakness Opportunity Threat) Analysis, Writing & Communication skills, Resume Writing, Group Discussions, Report writing, Team building, time management and Presentation Skills.

In the valedictory program held at the end, a few aspirants gave their feedback explaining how the training sessions helped them to improve their skills and made them more confident to appear for interviews and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by Training & Placement officer, DDP.Varma.

Name of the Programme: Language Lab (LSRW)

From 25-11-2014 to 29-11-2014

Description about the Programme

DNR College of Engineering and Technology in association with KARADE PATH conducted a special session on 'Magic English Adult Learner Programme' (LSRW) from 25-11-2014 to 29-11-2014. This programme was initiated by G.G. Ratnam, H.O.D, Science & Humanities with a orientation speech.

After initiation speech was given by H.O.D, The Senior English faculty, Mr.T.V.S Suresh urged the students to make use of the special session to the maximum extent possible in order to enhance their communication skills. The trainers were addressing the students about the importance of the classes. The trainers take the classes daily after the class work from 5:30PM to 6:30PM.

During the four day sessions, trainer dealt natural way to acquire languages, whether it is the mother tongue or languages that we constantly hear around us. Trainer used intuitive intelligence (left brain oriented)- the intelligence with which students learn to walk, learn their mother tongue and learn to sing. They provided multiple paths to the goal of language learning allowing every individual learner to use his or her preferred way of learning.

In the valedictory program held at the end, a few students gave their feedback explaining how the training sessions helped them to improve their competitive skills and made them more confident to appear for interviews and the trainers did their job successfully and requested the students to constantly improve upon their skills and competencies for their personal and career growth. The session ended with a vote of thanks by the one of the students.
