A Brief Report on Training Program on "DATA STRUCTURE THROUGH C++"

Held during 22 - 24 Jul, 2013

Conducted by: Department of Computer Science and Engineering

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a three day Training program on 'Data Structures through C++' held during Jul 22 - 24, 2013 at DNR College of Engineering and Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, principal of DNR CET said "Knowing and believing in your own potential can be part of your journey to being successful. If you start to believe in yourself and your potential more, you can become more motivated to prove yourself" D.D.D. Suri Babu, HOD-CSE said "Programming without an overall architecture or design in mind is like exploring a cave with only a flashlight: You don't know where you've been, you don't know where you're going, and you don't know quite where you are."

Mr. M. Sridhar, Technical Lead, Coign Consultant, Hyderabad, delivered a lecture on *Data Structures through C++ basics, various functionalities with simple examples*. The event was basically designed to bring the college students and teachers in Bhimavaram on a single platform and share the information on teaching strategies needed for effective learning process in computer science engineering. Around sixty Students and faculty participated in the workshop from various Departments of DNR CET. Mr. M.S.V.V. Ramesh, Assistant Professors in Computer Science and Engineering, DNR CET acts as a Coordinator to the event.

In addition to quality education, the college provides continuous support and assistance to the students in achieving their potential goals. I wish you every success; hope that you have a great time with us.

Sri D.D.D. Suri Babu, HOD-CSE said “I’m the guy who knows how you can hurt so much that your insides feel like they’re cut and bleeding” The department of CSE is a vibrant educational community of exemplary standards, with commitment to high quality education, and rigorous academic environment, since the beginning.

Mr. Siva Kumar, Technical Head, VXL IT Academy, Vijayawada, delivered a lecture on job opportunities in cloud, BigData and social media. The event was basically designed to bring the college students and teachers in Bhimavaram on a single platform and share the information on teaching strategies needed for effective learning process in computer science engineering. Around sixty Students and faculty of CSE Department participated in this program. Mr. M.C.S. Varma, Assistant Professor in Computer Science and Engineering, acted as a Coordinator for the event.

ABOUT THE INSTITUTION

DNR COLLEGE OF ENGG. AND TECHNOLOGY was started in the year 2010 in the heart of Bhimavaram town under DNR College association established in 1945. The institute has been running successfully for the last 7 years, serving the needs of the people in and around of this area and extending the hands to other districts also in technical education.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering was started in the year 2010, which offers a 4-year Under Graduate Programme (B.Tech) along with a Postgraduate course in Machine Design.

The department consists of various laboratories and facilities with modern sophisticated equipment. The faculty and the students of the department are dedicated to work in the current needs of the industry and have the ability to improve expertise in fields of Mechanical Engineering.

PROGRAMME OBJECTIVE

- To Learn about Servo Motors and Pulse Width Modulation.
- To learn Concepts of forward and inverse kinematics
- Hands-on experience on Arduino and its programming

COURSE COVERAGE

- ✓ **Robotic Arm: Concepts and Applications**
- ✓ **Servo Motors: Working and Control**
- ✓ **Various industrial application of robot arm**

A Brief Report on Training Program on "DATA STRUCTURE THROUGH C++"

Held during 22 - 24 Jul, 2013

Conducted by: Department of Computer Science and Engineering

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a three day Training program on 'Data Structures through C++' held during Jul 22 - 24, 2013 at DNR College of Engineering and Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, principal of DNR CET said "Knowing and believing in your own potential can be part of your journey to being successful. If you start to believe in yourself and your potential more, you can become more motivated to prove yourself" D.D.D. Suri Babu, HOD-CSE said "Programming without an overall architecture or design in mind is like exploring a cave with only a flashlight: You don't know where you've been, you don't know where you're going, and you don't know quite where you are."

Mr. M. Sridhar, Technical Lead, Coign Consultant, Hyderabad, delivered a lecture on *Data Structures through C++ basics, various functionalities with simple examples*. The event was basically designed to bring the college students and teachers in Bhimavaram on a single platform and share the information on teaching strategies needed for effective learning process in computer science engineering. Around sixty Students and faculty participated in the workshop from various Departments of DNR CET. Mr. M.S.V.V. Ramesh, Assistant Professors in Computer Science and Engineering, DNR CET acts as a Coordinator to the event.

Conducted by: Department of Computer Science and Engineering

Held on 27th & 28th July 2013

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a three day Seminar on ‘Structured Programming and Algorithms’ is held on Jul 27th and 28th , 2013 at DNR College of Engineering & Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, Principal of DNR CET said “If you steal from one book you are condemned as a plagiarist, but if you steal from ten books you are considered a scholar, and if you steal from thirty or forty books, a distinguished scholar”. In addition to quality education, the college provides continuous support and assistance to the students in achieving their potential goals. I wish you every success; hope that you have a great time with us.

Sri D.D.D. Suri Babu, HOD-CSE said “A genius is someone who takes a complex thing and makes it look simple. An academic does the opposite” The department of CSE is a vibrant educational community of exemplary standards, with commitment to high quality education, and rigorous academic environment, since the beginning.

Miss. Jahnvi Sudha, Technical Lead, COIGN Consultant, Hyderabad, delivered a lecture on *Structured Programming and Algorithms with simple examples*. The event was basically designed to bring the college students and teachers in Bhimavaram on a single platform and share the information on teaching strategies needed for effective learning process in computer science engineering. Around sixty Students and faculty of CSE Department participated in this program. Mr. M.S.V.V. Ramesh, Assistant Professor in Computer Science and Engineering, acted as a Coordinator for the event.

A Brief Report on

Training Program on "DATABASE MANAGEMENT SYSTEMS"

Held during 18 - 21 Feb, 2014

Conducted by: Department of Computer Science and Engineering

AIMING TO PROVIDE AN INTENSE TRAINING ON PRACTICAL ORIENTED SUBJECTS AT UNDERGRADUATE LEVEL FOR COLLEGE STUDENT AND FACULTY, A FOUR DAY TRAINING PROGRAM ON 'DATABASE MANAGEMENT SYSTEMS' HELD DURING FEB 18 - 21, 2014 AT DNR COLLEGE OF ENGINEERING AND TECHNOLOGY, DNR CAMPUS, BHIMAVARAM. SPEAKING ON THE OCCASION, DR. U. RANGA RAJU, PRINCIPAL OF DNRCET SAID "A LIFE OF JOY AND HAPPINESS IS POSSIBLE ONLY ON THE BASIS OF KNOWLEDGE AND SCIENCE. EDUCATION IS IMPORTANT FOR EVERY INDIVIDUAL IN A NATION. TECHNICAL EDUCATION PLAYS A VITAL ROLE IN THE DEVELOPMENT OF ANY COUNTRY". D.D.D. SURI BABU, HOD-CSE SAID "DATABASE MANAGEMENT SYSTEM [ORIGIN: DATA + LATIN BASUS "LOW, MEAN, VILE, MENIAL, DEGRADING, COUNTERFEIT."] IT IS IMPORTANT BECAUSE IT MANAGES DATA EFFICIENTLY AND ALLOWS USERS TO PERFORM MULTIPLE TASKS WITH EASE. A DATABASE MANAGEMENT SYSTEM STORES, ORGANIZES AND MANAGES A LARGE AMOUNT OF INFORMATION WITHIN A SINGLE SOFTWARE APPLICATION.

MR. K DURGA NAVEEN KUMAR, TECHNICAL LEAD, COIGN CONSULTANT, HYDERABAD, DELIVERED A LECTURE ON DATABASE MANAGEMENT SYSTEMS *BASICS, VARIOUS SQL COMMANDS WITH SIMPLE EXAMPLES*. THE EVENT WAS BASICALLY DESIGNED TO BRING THE COLLEGE STUDENTS AND TEACHERS IN BHIMAVARAM ON A SINGLE PLATFORM AND SHARE THE INFORMATION ON TEACHING STRATEGIES NEEDED FOR EFFECTIVE LEARNING PROCESS IN COMPUTER SCIENCE ENGINEERING. AROUND SIXTY STUDENTS AND FACULTY PARTICIPATED IN THE WORKSHOP FROM VARIOUS DEPARTMENTS OF DNRCET. MR. M.S.V.V. ABOUT THE INSTITUTION

The DNR College of Engineering and Technology (DNR CET) was established in the year 2010 at DNR College campus, Balusumudi, Bhimavaram. College imparts high standards of education and having excellent infrastructure and state of art laboratories.

Institute offers five branches of Engineering and Technology at the undergraduate level and two post graduate level M. Tech. courses. Institution also offers Diploma courses. The institution has excellent infrastructure facilities including modern laboratory facilities, Internet facilities, Central Library, Digital Library and other general amenities. The Institute also had the student chapters of IEEE and ISTE. All the courses are approved by All India Council of Technical Education (AICTE) and Department of Technical Education (DTE).

ABOUT THE DEPARTMENT

The Department of Electrical & Electronics Engineering (EEE) offers both undergraduate (B. Tech.) and Polytechnic (DEEE) programs. All staff members of EEE are highly qualified. EEE students enjoy the benefits, which includes more relaxed and personal atmosphere with specialized attention and guidance from the staff members.

ABOUT THE INSTITUTION

The DNR College of Engineering and Technology (DNR CET) was established in the year 2010 at DNR College campus, Balusumudi, Bhimavaram. College imparts high standards of education and having excellent infrastructure and state of art laboratories.

Institute offers five branches of Engineering and Technology at the undergraduate level and two post graduate level M. Tech. courses. Institution also offers Diploma courses. The institution has excellent infrastructure facilities including modern laboratory facilities, Internet facilities, Central Library, Digital Library and other general amenities. The Institute also had the student chapters of IEEE and ISTE. All the courses are approved by All India Council of Technical Education (AICTE) and Department of Technical Education (DTE).

ABOUT THE DEPARTMENT

The Department of Electrical & Electronics Engineering (EEE) offers both undergraduate (B. Tech.) and Polytechnic (DEEE) programs. All staff members of EEE are highly qualified. EEE students enjoy the benefits, which includes more relaxed and personal atmosphere with specialized attention and guidance from the staff members.

ABOUT THE INSTITUTION

DNR COLLEGE OF ENGG. AND TECHNOLOGY was started in the year 2010 in the heart of Bhimavaram town under DNR College association established in 1945. The institute has been running successfully for the last 7 years, serving the needs of the people in and around of this area and extending the hands to other districts also in technical education.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering was started in the year 2010, which offers a 4-year Under Graduate Programme (B.Tech) along with a Postgraduate course in Machine Design.

The department consists of various laboratories and facilities with modern sophisticated equipment. The faculty and the students of the department are dedicated to work in the current needs of the industry and have the ability to improve expertise in fields of Mechanical Engineering.

PROGRAMME OBJECTIVE

- To Learn about Servo Motors and Pulse Width Modulation.
- To learn Concepts of forward and inverse kinematics
- Hands-on experience on Arduino and its programming

COURSE COVERAGE

- ✓ **Robotic Arm: Concepts and Applications**
- ✓ **Servo Motors: Working and Control**
- ✓ **Various industrial application of robot arm**

A Brief Report on Training Program on **“ETHICAL HACKING”**

Held during 28 – 30 JUL, 2015

Conducted by: Department of Computer Science and Engineering

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a three day Training program on ‘ETHICAL HACKING’ held during Jul 28 - 30, 2015 at DNR College of Engineering and Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, principal of DNR CET said “If your actions inspire others to dream more, learn more, do more and become more, you are a leader.” Sri. D.D.D. Suri Babu, HOD-CSE said “Programming today is a race between software engineers striving to build bigger and better idiot-proof programs, and the Universe trying to produce bigger and better idiots. So far, the Universe is winning”.

Mr. G. Naveen Reddy, Technical Lead, Coign Consultant, Hyderabad, delivered a lecture on ETHICAL HACKING *basics, Phase of Pentesting, System Hacking, Foot Printing, Sniffing Traffic*. The event was basically designed to bring the college students and teachers in Bhimavaram on a single platform and share the information on teaching strategies needed for effective learning process in computer science engineering. Around sixty Students and faculty participated in the workshop from various Departments of DNR CET. Mr. K, S R Prasad, Assistant Professors in Computer Science and Engineering, DNR CET acts as a Coordinator to the event.

A Brief Report on Workshop

Title: "ANDROID MOBILE APPLICATION DEVELOPMENT"

Conducted by: Department of Computer Science and Engineering

Held on: 31st July, 1st and 2nd August 2015

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a three day Workshop on "Android Mobile Application Development" is held on 31st July, 1st and 2nd August 2015 at DNR College of Engineering & Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, Principal said "All education in life does not come at the hands of teachers. All learning does not take place in classrooms and labs, The reward of every good action will be good only". In addition to quality education, the college provides continuous support and assistance to the students in achieving their potential goals. I wish you every success; hope that you have a great time with us.

Sri D.D.D. Suri Babu, HOD-CSE said "For most of us, experience will be one of our best teachers. We just need to be self-aware enough to notice the lessons and learn from the mistakes". The department of CSE is a vibrant educational community of exemplary standards, with commitment to high quality education, and rigorous academic environment, since the beginning.

Mr. Naveen Kumar Reddy, Head, COIGN Consultants Pvt. Ltd., Hyderabad, delivered a lecture on Android Mobile Application Development. The event was basically designed to bring the college students and teachers in Bhimavaram on a single platform and share the information on teaching strategies needed for effective learning process in computer science engineering. A Brief Report on Seminar

On “JAVA and DOTNET Technologies”

Conducted by: Department of Computer Science and Engineering

Held on 5th & 6th November 2015

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a two day seminar on “JAVA and DOTNET Technologies” is held on 5th and 6th November, 2015 at DNR College of Engineering & Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, Principal of DNR CET said “Academic’ is defined as ‘of, or relating to, institutionalized education and scholarship’. The same word, at the same time, also means ‘having little practical use or value, as by being overly detailed, unengaging or theoretical”. In addition to quality education, the college provides continuous support and assistance to the students in achieving their potential goals. I wish you every success; hope that you have a great time with us.

Sri D.D.D. Suri Babu, HOD-CSE said “Academically fools exist too. They can pose the awkward problems within academic values than just the simple fools”. The department of CSE is a vibrant educational community of exemplary standards, with commitment to high quality education, and rigorous academic environment, since the beginning.

Mr. Kishore Kumar, Technical Head, VXL IT Academy, Vijayawada, delivered a lecture on Java and DotNet Technologies. ABOUT THE INSTITUTION

The DNR College of Engineering and Technology (DNR CET) was established in the year 2010 at DNR College campus, Balusumudi, Bhimavaram. College imparts high standards of education and having excellent infrastructure and state of art laboratories.

Institute offers five branches of Engineering and Technology at the undergraduate level and two post graduate level M. Tech. courses. Institution also offers Diploma courses. The institution has excellent infrastructure facilities including modern laboratory facilities, Internet facilities, Central Library, Digital Library and other general amenities. The Institute also had the student chapters of IEEE and ISTE. All the courses are approved by All India Council of Technical Education (AICTE) and Department of Technical Education (DTE).

ABOUT THE DEPARTMENT

The Department of Electrical & Electronics Engineering (EEE) offers both undergraduate (B. Tech.) and Polytechnic (DEEE) programs. All staff members of EEE are highly qualified. EEE students enjoy the benefits, which includes more relaxed and personal atmosphere with specialized attention and guidance from the staff members.

ABOUT THE INSTITUTION

DNR COLLEGE OF ENGG. AND TECHNOLOGY was started in the year 2010 in the heart of Bhimavaram town under DNR College Association established in 1945. The institute has been running successfully for the last 7 years, serving the needs of the people in and around of this area and extending the hands to other districts also in technical education.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering was started in the year 2010, which offers a 4-year Under Graduate Programme (B.Tech) along with a Postgraduate course in Machine Design.

The department consists of various laboratories and facilities with modern sophisticated equipment. The faculty and the students of the department are dedicated to work in the current needs of the industry and have the ability to improve expertise in fields of Mechanical Engineering.

PROGRAMME OBJECTIVE

- To learn about various robot parts
- To learn Concepts of IR sensors
- To learn the line follower robot applications

COURSE COVERAGE

- ✓ Line follower robot: Concepts and Applications
- ✓ IR sensor : Working and Control
- ✓ Various industrial application of line follower robot

ABOUT THE INSTITUTION

The DNR College of Engineering and Technology (DNR CET) was established in the year 2010 at DNR College campus, Balusumudi, Bhimavaram. College imparts high standards of education and having excellent infrastructure and state of art laboratories.

Institute offers five branches of Engineering and Technology at the undergraduate level and two post graduate level M. Tech. courses. Institution also offers Diploma courses. The institution has excellent infrastructure facilities including modern laboratory facilities, Internet facilities, Central Library, Digital Library and other general amenities. The Institute also had the student chapters of IEEE and ISTE. All the courses are approved by All India Council of Technical Education (AICTE) and Department of Technical Education (DTE).

ABOUT THE DEPARTMENT

The Department of Electrical & Electronics Engineering (EEE) offers both undergraduate (B. Tech.) and Polytechnic (DEEE) programs. All staff members of EEE are highly qualified. EEE students enjoy the benefits, which includes more relaxed and personal atmosphere with specialized attention and guidance from the staff members.

Dear Sir,

We would like to inform you that the students of our Eng.College who are in B.Tech EEE second year has to do a real time study on Power System as part of their course prescribed by JNTU KAKINADA.

In this connection we advised our students to take study on Generating station and its distribution system. The students and faculty members are willing be visiting your Generating station on your convenient day of DEC-2016. All safety precautions will be taken by the faculty members and students while their study in the Generating station. The total strength of students is 46 and faculty of 3 members are interested to visit.

We request you to consider the proposal for their study and accord your approval for their visit.

Thanking you,

A Brief Report on Training Program on “CLOUD COMPUTING”

Held during 22 - 25 Jul, 2016

Conducted by: Department of Computer Science and Engineering

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a four day Training program on ‘CLOUD COMPUTING’ held during Jul 22 - 25, 2016 at DNR College of Engineering and Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, principal of DNR CET said “Everyone can rise above their circumstances and achieve success if they are dedicated to and passionate about what they do”. Sri. D.D.D. Suri Babu, HOD-CSE said “A good programmer is someone who looks both ways before crossing a one-way street”, by using cloud infrastructure, you don't have to spend huge amounts of money on purchasing and maintaining equipment. This drastically reduces capex costs. You don't have to invest in hardware, facilities, utilities, or building out a large data center to grow your business.

Mr. K Chandra Sekhar, IT Trainer, WebCognize Solutions, Hyderabad, delivered a lecture on CLOUD COMPUTING *basics, SaaS, PaaS, IaaS, DaaS*. The event was basically designed to bring the college students and teachers in Bhimavaram on a single platform and share the information on teaching strategies needed for effective learning process in computer science engineering. Around sixty Students and faculty participated in the workshop from various Departments of DNR CET. Mr. L Bujji Babu, Assistant Professors in Computer Science and Engineering, DNR CET acts as a Coordinator to the event.

A Brief Report on Workshop

Title: "C – PROGRAMMING WITH ALGORITHMS"

Conducted by: Department of Computer Science and Engineering

Held on: 27th & 28th July 2016

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a Two day Workshop on "C-Programming with Algorithms" is held on 27th and 28th July 2016 at DNR College of Engineering & Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, Principal said "We cannot always build the future for our youth, but we can build our youth for the future". Remember "The reward of every good action will be good only". In addition to quality education, the college provides continuous support and assistance to the students in achieving their potential goals. I wish you every success; hope that you have a great time with us.

Sri D.D.D. Suri Babu, HOD-CSE said "the process of teaching is mutual learning for both teachers and students. We should move from the attitude of 'I do, you do' to an effective and inclusive approach of 'we do'." The department of CSE is a vibrant educational community of exemplary standards, with commitment to high quality education, and rigorous academic environment, since the beginning.

Mr. G. Rajesh Chandra, IT Head, MatchWell Technologies, Hyderabad, delivered a lecture on C-Programming with Algorithm. The event was basically designed to bring the college students and teachers in Bhimavaram on a single platform and share the information on teaching strategies needed for effective learning process in computer science engineering. Around sixty to Seventy Students and faculty of CSE Department participated in this program. Mr. K.S.S. Title: “BIG-DATA ANALYTICS AND HADOOP”

Conducted by: Department of Computer Science and Engineering

Held on: 19th August 2016

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a one day Workshop on “Big Data Analytics and Hadoop” is held on 19th August 2016 at DNR College of Engineering & Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, Principal said “The aim of education should be to teach us rather how to think, than what to think — rather to improve our minds, so as to enable us to think for ourselves, than to load the memory with thoughts of other men”. In addition to quality education, the college provides continuous support and assistance to the students in achieving their potential goals. I wish you every success; hope that you have a great time with us.

Sri D.D.D. Suri Babu, HOD-CSE said “If someone is going down the wrong road, he doesn't need motivation to speed him up. What he needs is education to turn him around”. The department of CSE is a vibrant educational community of exemplary standards, with commitment to high quality education, and rigorous academic environment, since the beginning.

Miss. Jahnvi Sudha, Technical Head, COIGN Consultants Pvt. Ltd., Hyderabad, delivered a lecture on Big Data Analytics and Hadoop. DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

A Brief Report on Seminar

On “Information Technology and Its Importance”

Conducted by: Department of Computer Science and Engineering

Held on 24th July 2017

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a one day seminar on “Information Technology and Its Importance” is held on 24th July, 2017 at DNR College of Engineering & Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, Principal of DNR CET said “*Good teaching is one-fourth preparation and three-fourths theatre and Better than a thousand days of diligent study is one day with a great teacher*”. In addition to quality education, the college provides continuous support and assistance to the students in achieving their potential goals. I wish you every success; hope that you have a great time with us.

Sri D.D.D. Suri Babu, HOD-CSE said “*As a teacher, my strategy is to encourage questioning. I'm the least authoritarian professor you'll ever meet.*”. The department of CSE is a vibrant educational community of exemplary standards, with commitment to high quality education, and rigorous academic environment, since the beginning.

Mr. Naveen Kumar Reddy, Head, COIGN Consultants Pvt. Ltd., Hyderabad, delivered a lecture on Java and DotNet Technologies. The event was basically designed to bring the college students and teachers in Bhimavaram on a single platform and share the information on teaching strategies needed for effective learning process in computer science engineering. Around sixty to Seventy Students and faculty of CSE Department participated in this program. Mr. K.S.S. Prasad, Assistant Professor in Computer Science and Engineering, acted as a Coordinator for the event.

A Brief Report on Training Program on "HADOOP BASICS"

Held during 28 - 31 Jul, 2017

Conducted by: Department of Computer Science and Engineering

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a four day Training program on 'HADOOP BASICS' held during Jul 28 - 31, 2017 at DNR College of Engineering and Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, principal of DNRCT said "The craft of programming begins with empathy, not formatting or languages or tools or algorithms or data structures". Sri D.D.D. Suri Babu, HOD-CSE said "If you think technology can solve your security problems, then you don't understand the problems and you don't understand the technology". HADOOP is a highly scalable storage platform, because it can store and distribute very large data sets across hundreds of inexpensive servers that operate in parallel.

Mr. K Durga Naveen Kumar, Technical Lead, Coign Consultant, Hyderabad, delivered a lecture on HADOOP BASICS *Architecture, Resource Manager, MapReduce, Hadoop Installation*. The event was basically designed to bring the college students and teachers in Bhimavaram on a single platform and share the information on teaching strategies needed for effective learning process in computer science engineering. Around 110 Students and faculty participated in the workshop from various Departments of DNRCT. Mr. B Nandan Kumar, Assistant Professor in Computer Science and Engineering, DNRCT acts as a Coordinator to the event.

A Brief Report on Workshop

Title: "DATABASE DESIGN AND DEVELOPMENT USING SQL"

Conducted by: Department of Computer Science and Engineering

Held on: 30th, 31st August & 1st September 2016

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a three day Workshop on "Database Design and Development using SQL" is held on 30th, 31st August and 1st September 2016 at DNR College of Engineering & Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, Principal said "Many highly intelligent people are poor thinkers. Many people of average intelligence are skilled thinkers. The power of the car is separate from the way the car is driven". In addition to quality education, the college provides continuous support and assistance to the students in achieving their potential goals. I wish you every success; hope that you have a great time with us.

Sri D.D.D. Suri Babu, HOD-CSE said "Education makes a people easy to lead but difficult to drive: easy to govern, but impossible to enslave". The department of CSE is a vibrant educational community of exemplary standards, with commitment to high quality education, and rigorous academic environment, since the beginning.

Mr. B. Vijay Kumar, Technical Head, WEBCOGNIZE, Hyderabad, delivered a lecture on Database Design and Development using SQL. Held during 29 - 31 Jan, 2018

Conducted by: Department of Computer Science and Engineering

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a three day Training program on ‘Internet of Things(IoT)’ held during Jan 29 - 31, 2018 at DNR College of Engineering and Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, principal of DNR CET said “Good specifications will always improve programmer productivity far better than any programming tool or technique.” Sri D.D.D. Suri Babu, HOD-CSE said “If you think you are worth what you know, you are very wrong. Your knowledge today does not have much value beyond a couple of years. Your value is what you can learn and how easily you can adapt to the changes this profession brings so often”.

Mr. A. Karthik, Webcognize Solutions, Hyderabad, delivered a lecture on Internet of Things(IoT) *basics, Application design, Application developments Machine Learning, Artificial Intelligence, Business intelligence and data analytics*. The event was basically designed to bring the college students and teachers in Bhimavaram on a single platform and share the information on teaching strategies needed for effective learning process in computer science engineering. Around 110 Students and faculty participated in the workshop from various Departments of DNR CET. Mr. B Nandan Kumar, Assistant Professor in Computer Science and Engineering, DNR CET acts as a Coordinator to the event.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

A Brief Report on Workshop

Title: "DATA MINING USING WEKA"

Conducted by: Department of Computer Science and Engineering

Held on: 7th, 8th and 9th February 2018

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college student and faculty, a three day Workshop on "Data Mining using WEKA" is held on 7th, 8th and 9th February 2018 at DNR College of Engineering & Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr. U. Ranga Raju, Principal said "We cannot always build the future for our youth, but we can build our youth for the future". Remember "The reward of every good action will be good only". In addition to quality education, the college provides continuous support and assistance to the students in achieving their potential goals. I wish you every success; hope that you have a great time with us.

Sri D.D.D. Suri Babu, HOD-CSE said "the process of teaching is mutual learning for both teachers and students. We should move from the attitude of 'I do, you do' to an effective and inclusive approach of 'we do'." The department of CSE is a vibrant educational community of exemplary standards, with commitment to high quality education, and rigorous academic environment, since the beginning.

Mr. V. Rajesh Babu, Technical Head, WEBCOGNIZE, Hyderabad, delivered a lecture on Data Mining using WEKA. The event was basically designed to bring the college students and teachers in Bhimavaram on a single platform and share the information on teaching strategies needed for effective learning process in computer science engineering. Around sixty Students and faculty of CSE Department participated in this program. Mr. M.C.S. Varma, Assistant Professor in Computer Science and Engineering, acted as a Coordinator for the event.

ABOUT THE INSTITUTION

The DNR College of Engineering and Technology (DNR CET) was established in the year 2010 at DNR College campus, Balusumudi, Bhimavaram. College imparts high standards of education and having excellent infrastructure and state of art laboratories.

Institute offers five branches of Engineering and Technology at the undergraduate level and two post graduate level M. Tech. courses. Institution also offers Diploma courses. The institution has excellent infrastructure facilities including modern laboratory facilities, Internet facilities, Central Library, Digital Library and other general amenities. The Institute also had the student chapters of IEEE and ISTE. All the courses are approved by All India Council of Technical Education (AICTE) and Department of Technical Education (DTE).

ABOUT THE DEPARTMENT

The Department of Electrical & Electronics Engineering (EEE) offers both undergraduate (B. Tech.) and Polytechnic (DEEE) programs. All staff members of EEE are highly qualified. EEE students enjoy the benefits, which includes more relaxed and personal atmosphere with specialized attention and guidance from the staff members.
