STAKEHOLDERS FEEDBACK ANALYSIS

ACADEMIC YEAR 2021-22

INTERNAL QUALITY ASSURANCE CELL

Introduction

The most important stakeholders of any higher education institution are students, teachers, alumni and employers. The facilities and infrastructure and provisions of an institution revolve around the needs and expectations of its stakeholders. The institution has paid attention to the views and suggestions of all the stakeholders to obtain feedback on their experience of learning, teaching, infrastructure and other facilities provided by the institution. Therefore, an institution needs to collect feedback from its stakeholders to excel in its future endeavors. All stakeholders have been provided a platform to express their opinion and suggestions in relation to curriculum, teaching-learning process and suggest improvement areas. For this academic year 2021-22, IQAC has collected feedback on various aspects related to curriculum, teaching, learning has analyzed and taken suitable action to improve the overall excellence of the institution
