SUBMITTED TO PRINCIPAL FOR INFORMATION

DNRCET sent recommendations to DAP, JNTUK to be incorporated in the curriculum in new regulations on 21.6.2022 and appealed for their inclusion in the ensuing regulations. DAP, JNTUK convened a meeting for all the Principals of affiliated colleges on 14.07.2022 and discussed at full length on all the proposals given by the respective institutions. The DAP of JNTUK appreciated the initiative taken by the DNRCET particularly mentioning of courses like global warming, Environmental protection and the topics which are relevant for the Development of entrepreneurship skills and forest acreage and assured Principal DNRCET to take appropriate action in this regard.

IQAC DNRCET congratulates all the staff members for their participation in this Endeavour and requests all the stakeholders to continue the same in the days to come.
