Event Report

Event Title: soul synch meditation program

Date: 19/08/2019.

No.of students participate: 190

Expenditure: Rs/- 5000

Brief Description

The NSS Unit of DNR College of engineering and technology, Bhimavaram, has organized soul synch meditation program in association with O&O academy on 19/08/2019. The event is inaugurated by college president Sri G V NARASIMHA RAJU, Sri G SATYANARAYANA RAJU (BABU.) Dr.U. Ran raj, principal of DNR CET, vice principal Dr. BVS Varma NSS PO V. Praveen teaching staff and N volunteers were participated. The meditation program is led by sunilji.

Dr U Rangaraju, Principal of DNR CET has addressed the students; the Great Soul Sync Meditation is a gift originating from O&O Academy in India. It was developed by Preethaji, one of the founders, who is an Enlightened Philosopher-Sage, Mother Business Leader and Philanthropist. Combining ancient wisdom and modern science, a most compelling aspect of the meditation is that it is designed to take those who do it into the beautiful state of limitless consciousness. As many thousands of seekers have shared, in such a state, communication opens with the entirety of the universe and powerful synchronicities are created. This meditation is suitable for everyone. The Soul Sync requires no prior meditation experience and involves no religion, yet deepens whatever may be your spiritual path, if you have one.

SUNILJI has delivered a few words about soul synch meditation; it is a powerful meditation that was taught by the Guides at O & C Academy in India as part of a recent course he experienced. He has been practicing this meditation daily. Once he learned the very simple format, the meditation takes him only 7-8 minutes. Each Soul Sync meditation gives him the opportunity to have focus and clarity on ONE SPECIFIC Intention for his day, or for his life. It seems to resonate and stay with him throughout the day. The profound stillness and calm he feels sends me off to experience amazing synchronicities and miracles in his life.

Brief Description

DNR College of Engineering & Technology –NSS Unit organized Awareness Program on higher education Program in Yanamadurru Village on 03-03-2020 at ZPH School Durrusumarru. The recourse person of this program is Dr.GG Ratnam Dept. of English, who delivered valuable career guidelines for 10th class students for their bright future. Education is a prerequisite for human development. Employment opportunities and income levels can be increased with the help of education. Individual development and progress of a nation depends on educational development. As education is an important factor of development, illiteracy and ignorance among the disadvantaged groups hampers their process of development. Lack of education of the disadvantaged youth inspires them to engage in informal economic activities rather than in formal engagement
