Resource Person : Dr.G.D.V Prasad

Resource Person

The session was started at 9.30 AM. The program was initiated by Dr.G.G.RATNAM, HOD, BS&H Department. The resource person G.D.V.Prasad.was introduced by Mr. G.Moses, Assistant. Prof., Dept. of BS&H.

Dr. U.Rangaraju, Principal, DNRCET welcomed all the newly joined students to the first day of Student Induction Programme (SIP). He gave the overall picture of SIP by using a detailed power point presentation. Moreover, he explained the importance of the Induction Programme and the objectives and outcomes of this course to the students. He gave the week schedule of the programme along with the list of famous personalities invited on this occasion. Further, he also added how each student is going to get benefited by this event and how these events will make the students ready for Engineering education.

The prominent speaker also focused and addressed the different Innovative Learning Methods like Crossover Learning, Learning through Argumentation, Incidental Learning, Learning by Doing Science (with remote labs),and Embodied Learning.

Finally the speaker concluded that the innovative teaching and learning methods in the class room provides the new way to train the skills of students also said these methods helps teachers to adopt new method technology into the classroom and also said use multimedia to modify the contents of the material. It will help the teacher to represent the lessons in a more meaningful way.

**A Brief Report on
Faculty Development Program on “Quality Initiatives in Laboratories”**

Held during 23rd- 24th - Aug 2018

Aiming to provide an intense training on practical oriented subjects at undergraduate level for college faculty, a two days faculty development program on “**Quality Initiatives in Laboratories**” held during 23rd – 24th Aug 2018 at DNR College of Engineering and Technology, DNR Campus, Bhimavaram. Speaking on the occasion, Dr.U.Ranga Raju, principal of DNRCET said “With the learning, there is a strong need of unlearning, relearning how to teach the new generation faculty in this highly technological world”. D.D.D.Suri Babu, HOD-CSE said “Quality Initiatives in Laboratories” workshop is the very helpful to the faculty and the laboratory is a very important component in engineering education. Laboratories foster a range of skills including communication, knowledge, teamwork, ethics, and encouraging information acquisition and are used to support learning in lectures by enhancing student understanding of theoretical concepts.

MINUTES OF MEETING

The IQAC meeting is held on 08-06-2019 in the Principal Chamber.

Discussion on the agenda:

1. The members reviewed about the previous meeting issues.
2. The chairperson appreciated the coordinator and all the members for their efforts towards NAAC process. The IQAC explained the NAAC Details

Date of Institutional Information for Quality Assessment (IIQA) applied : 20-04-19

Date of Acceptance : 25-04-19

Date of Self Study Report (SSR) Submission : 07-06-19

3. The committee reviewed the conduction of remedial classes & weekly tests and suggested to improve the performance of the students in the mid examinations.
4. The committee reviewed the project based assignments and suggested all the hod's to encourage the students to participate in the technical symposium. So that students apply their knowledge on prototype design to improve their problem solving methodologies by experiential learning.
5. The committee suggested the faculties to adopt the Innovative and modern methods of teaching & learning methodologies. Such as, a preparatory examination is conducted on the syllabus with duration and question pattern exactly similar to the University examinations to give simulation experience, virtual reality (Animated slide based teaching clearly gives the idea about the subject).
6. The committee advised to have a workload of 22hrs per week for a faculty and Teaching Plan and study materials need to be prepared according to the syllabus with chapter end assignments in all courses and subjects. The committee suggested understanding the students' choice of electives.
7. The committee members suggested to conduct remedial classes after college hours for the students who are having backlogs.
8. The counselling will be delayed in this academic year due to AFRC regulations but the admissions will be provided for the students under the management and spot quota irrespective of their caste, religion, nationality, gender and poor academic performance. Admission to backward students on subsidized fee lower than University approved fee in selected courses helps the students from backward community to access their education.

MINUTES OF MEETING

The IQAC review meeting was held on 02-04-2019, at 11.00AM in Principal Chamber. Discussion on the agenda:

The members reviewed about the previous meeting issues.

1. The committee reviewed the result analysis and appreciated the faculty who got >80% and instructed the remaining faculty members to conduct remedial classes for the students who failed.
2. The committee reviewed all the workload distribution for next A.Y 2019-20 and suggested the HODs to motivate the faculties to use practical way of teaching.
3. The committee suggested all the HODs to conduct training programs or Skill development programmes which are useful to the students for their academics or build job-specific skills.
4. The committee suggested all the HODs to focus on the admission and encourage the students to choose our institute as first preference in both UG and PG counselling. Admission to backward students on subsidized fee lower than University approved fee in selected courses helps the students from backward community to access their education.
5. The committee reviewed the teaching - learning process, research publications, awards and collaborations
6. The committee suggested to collect the feedback of teacher based on regularity, punctuality, time consciousness, preparation for classes, competency in the subject, syllabus completion in time, presentation skill (voice, clarity & language), methodology adopted in teaching, interaction with the student, and accessibility with the student outside the class. Organizing Parent interaction at least once in a month or sending the emails or messages at regular intervals will help them to track their children in the college in the right way. The committee reviewed the feedback analysis of both students and parents and appreciated the faculty who got >75% (good response) and instructed the faculty to improve the teaching methodology who got <75%.
7. The committee reviewed the physical facilities, library resources and maintenance of campus infrastructure

MINUTES OF MEETING

The IQAC review meeting is held on 16-10-2018 at 11:00AM in IQAC Chamber. Discussion on the agenda:

1. The resolutions made in previous meeting has been checked and found satisfactory.
2. The committee decided to allocate one criterion to one department and assigned two coordinators for each criterion. The entire remaining faculty supported the coordinators in filing the requirements.
3. Most students are basically lazy and do not want to study. They are coming for studies because of their parents who force them. They have no interest in attending classes and writing assignments. Internal marks are serving as motivators. The committee recommended the counsellors to monitor with constant support and advice, so that they will attend all classes and take examinations seriously.
4. The committee reviewed the course file and suggested to include the old university question papers, syllabus plan, photo copy of highest, lowest and average marks papers, running notes, time table, study materials are prepared according to the syllabus with chapter end assignments in all courses and subjects
5. The committee reviewed the syllabus coverage and allocate the extra periods for lagging subjects.
6. The college conducts mentorship programmes to support students, faculty serve as mentors to uplift the student in all aspects.
7. The committee recommended the group/team projects for the students' increases their proficiency in developing various application software's.
8. The midterm exam marks performance is reviewed and students who got <16 are counselled and intimated to parents for further action.
9. The meeting concluded with vote of thanks.

MINUTES OF MEETING

The IQAC review meeting is held on 28-08-2018 at 11:00AM in IQAC chamber. Discussion on the agenda:

1. The committee has taken the feedback of previous meeting agenda and expressed satisfaction.
2. The committee decided to apply for NAAC.
3. The committee suggested informing to the parents regarding attendance percentage, mid marks of the students. If the student gets >65% and <75%, the institute promotes with shortage of attendance based on the University promotion rules. If the student gets <65%, he/she will be detained based on the University promotion rules. If the student gets fewer marks in mid examination, he/she will be given assignment. The committee reviewed, the college mentorship programmes to support students, faculty serve as mentors and suggested to interact with their parents.
4. The committee suggested completing the syllabus one week before the commencement of mid exams and conduct a preparatory examination on the syllabus to have a simulation experience.
5. Student feedback is treated as a valuable output and is collected through a variety of ways such as feedback form, suggestion box, open door policy etc. The committee members reviewed on feedback of the parents & rating of faculty by students and motivated the faculties to change the teaching methodologies.
6. The committee recommended to library and computer facilities coordinator to open for extended hours till late evenings (06:00PM) and holidays (10:00 to 01:00PM).
7. The committee suggested improving the Quality culture within the campus and Skill development programmes have been introduced to build job-specific skills such as basic electronics, electrical, CAD/CAM, Python, Total station etc.
8. The committee decided to conduct FDP for enhancing performance. The faculty should strive to continuously improve while performing on the job in areas like research, consultancy, higher studies, technology adoption, and community service. He should foresee the challenges ahead and prepare himself for long term sustainability in the profession. Due to this, the overall learning atmosphere of the institution will be improved and both students and faculty keep themselves fully busy on academic, co-curricular activities and extracurricular activities.
9. The college automation ECAP functioning problems are discussed and resolved. The committee instructed the HODs to update the attendance in the ECAP.
10. The committee reviewed the administrative and financial management like purchase of books, solar etc.
