ANDHRA PRADESH STATE SKILL DEVELOPMENT CORPORATION, having its corporate office at 2nd Floor, NTR Administrative Block, PN Bus Station, Vijayawada - 520 013 herein after called the "APSSDC" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) represented by the M.D &CEO of the first part;

And

D N R College of Engg. and Technology having its corporate office at DNR College Campus, Balusumudi, Bhimavaram, West Godavari District herein after called "DNR CE, Bhimavaram" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) represented by the **CHAIRMAN** of the second part;

APSSDC and DNR CE, Bhimavaram shall herein after be collectively referred to as Parties and individually as first/second Party.

WHEREAS:

The new state of Andhra Pradesh has come into existence after bifurcation of the erstwhile combined state of Andhra Pradesh in June-2014. In the process of fulfilling its commitment for formation of a Modern State, the State has initiated its endeavors, primarily on infrastructure building and rapid industrialization. To support this initiative, Government of Andhra Pradesh (GoAP) has identified manufacturing as a key area and is establishing clusters to nurture growth in vital sectors like Auto and Electronics by setting-up industrial corridors, Special Economic Zones (SEZs) etc.. The immediate necessity for Industrialization is the manpower development. In the process of industrialization and infrastructure building, it is obligatory on the part of GoAP to simultaneously develop a large pool of skilled manpower to cater the needs of the industry and service sectors. In this endeavor, the State has earnestly decided to address the skill shortage which is much projected by the user Industry. The initiative of State-wide high priority for skill development shall also ensure up-gradation of skills. The sectors with largest manpower requirement in the coming

years will be Manufacturing, Construction, Hospitality, Banking, Financial Services and Insurance and Information Technology/IT enabled services.

Eventually, the Skill Development has occupied the key focus area of GoAP. The process of developing large pool of skilled manpower has been envisaged in partnership with industry to make the skill development mission more industry relevant and self-sustainable. In the process of achieving these goals, the GoAP has incorporated APSSDC as a special corporate which shall strive for the appropriate and demand driven Skill Development.

APSSDC in its several meetings have discussed and decided to achieve the goal of skill development with participative approach of the stakeholders' viz. the Government, Industry, academic institutions, youth and all other stakeholders. This participative approach will go a long way in accomplishing the task in economical, appropriate proportions with relevance in the shortest period. The APSSDC would provide the extra infrastructural and HR development requirements in selected academic institutions. In this process, the APSSDC has selected some of the leading Engineering Colleges/Govt. Polytechnics/Industry associated training institutions for providing the infrastructural facilities additionally required for running the Skill Development programs. The APSSDC has selected the institutions through a properly constituted high power committee as constituted in G.O.Ms.No.8, SDE&I (Skills) Dept., Dt. 05.10.2015 and issued order vide G.O.Ms.No.5, SDE&I (Skills) Dept., Dt.25.04.2016 given in Annexure-I.

The APSSDC and DNR CE, Bhimavaram which is selected for technical Skill Development Institute (t-SDI) have mutually discussed and agreed to enter into this agreement as detailed hereinafter.

NOW, THEREFORE, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

ORDER:

1. As part of the Vision 2029, the Government of Andhra Pradesh has the ambitious plan of being one of top three developed States of the Country within the next five years. As envisaged in the G.O. first cited seven different missions have been formed to prioritize and energize main sectors of growth. "Knowledge and Skills Mission" occupies an important position in order to develop the employable skilled work force in the State of Andhra Pradesh as well as in India.
2. In the G.O. 2nd read above, the Government has issued orders creating Andhra Pradesh State Skill Development Corporation. Ever since APSSDC has been at the forefront of all skilling activities in the State and has been tirelessly scouring new and innovative areas of expertise and high end technology partners to tap the vast human capital potential in the State with its emphasis on empowering the youth. The Corporation in its 3rd Board Meeting held on 13.12.2014 decided to depute a team to visit the SIEMENS Centers of Excellence already established in Gujarat and submit a report. Accordingly, the team has visited the SIEMENS Centers in Gujarat, conducted a detailed study of centers and submitted a report.
3. SIEMENS Industry Software Company has been in India since 1980. It has been offering training programmes in collaboration with various State Governments. Government of Andhra Pradesh has also had detailed discussions with SIEMENS Company in order to accomplish the goal of Knowledge and Skill Mission. A comprehensive presentation was made to the Government on 9th February, 2015 about the Skill Development and Training activities being impacted by SIEMENS and their intent in Collaborating with the Government of Andhra Pradesh as was done in Gujarat and their contribution to the economy of the State by the establishment of SIEMENS centers of excellence, Technical Skill Development Institutions and Skill Development Centers. Further, the Government has decided that –

Skill Development Entrepreneurship & Innovation Department- Launching of SIEMENS Centers of Excellence and Technical Skill Development Institutions-Selection of Institutions – Orders – Issued.

SKILL DEVELOPMENT, ENTREPRENEURSHIP & INNOVATION (SKILLS)DEPARTMENT

G.O.MS.No.05

Dated: 25.04.2016.

Read the following:

1. G.O.Ms.No. 4 SDE&I (Skills) Dept., Dt: 30.06.2015.
2. G.O.Ms.No. 8 SDE&I (Skills) Dept., Dt: 05.10.2015.
3. Minutes of meeting of the Selection Committee for the Selection of Centers for the AP-Skill Development Project held on 16.02.2016, AP. Secretariat, Hyderabad.

ORDER:

1. In the Government order 1st read above, the Government has issued orders for sanctioning the Project of SIEMENS Center of Excellence and Technical Skill Development Institutions and also accorded permission for entering into MoU with SIEMENS Company. As per the order, agreement has been executed between the APSSDC, SIEMENS and Design Tech Companies.
2. In the G.O. 2nd read above, the Government has issued orders for formation of committees to monitor and to track the proposal of implementation of the SIEMENS Project and also Centre Selection Committee.
3. As a sequel to the agreement entered with the SIEMENS and Design Tech Companies, meetings involving all the stakeholders have been held in the state sensitizing the institutions and presenting the significance and the requirements for starting SIEMENS Center of Excellence and Technical Skill Development Institutions.
4. Thereafter, as per the decision taken by the committees for selection of centers and monitoring the progress, applications (online) have been called for from the institutions / organizations and universities, duly notifying the same in the media, stipulating the last date for submission of application for expression of interest in order to operationalize the centers.
5. In the reference 3rd read above, i.e., on 16-02-2016, during the Selection Committee meeting for Selection of Centers for the "Andhra Pradesh- Skill Development Project " in the form of hub-spoke model is explained Six clusters were defined. These are territorial region roughly consisting of two – three district. They have been defined based on the supply side information in terms of population, number of institutions, and capacity of those institutions. Alignment of the clusters has been made with the proposed industrial development while keeping district also as a geographical unit. Each cluster will be one Centre of Excellence (COE) and five Technical Skill Development Institutes (TSDI).

6. Further, as decided by the committee, all the hosting institutions need to be inspected by a team of experts. Accordingly, teams have been constituted comprising members from Technical Education Department, Central Institute of Tools and Design, Hyderabad (an autonomous organization under of Government of India) and Jawaharlal Nehru Technological Universities (JNTUs), Kakinada and Anantapur to inspections have been carried out and inspection reports have been submitted.
7. Suitable criteria fixed for evaluation of the institutions and accordingly all the applications were graded and Universities and Engineering Colleges were evaluated using one set of criteria and also Polytechnics restricted one set of criteria. The ranked list of universities/colleges/institutions by cluster/district has been prepared and they have been evaluated with reference to the prescribed criteria. Finally, the committee constituted for the purpose of evaluation has recommended and approved the Colleges/ Institutions/ Organizations as Centre of Excellence (COE)/Technical Skill Development Institutions (TSDIs).
8. The Government after careful examination comprehensively, hereby orders that the institutions/ organizations/Universities as shown in the Annexure are selected as Siemens Centers of Excellence (6)/Technical Skill Development Institutions (36) subject to the following conditions:-
 - i) That the institutions will be subjected to further inspection by a team comprising members from SIEMENS and Design Tech.

APSSDC scheduled various programs for different set of students/youth/house wives during this summer.

These programs are scheduled to commence from 06-05-2019 in our centres.

In this regard, it is requested you to arrange to make necessary arrangements for smooth conduct of the said programs.

for unemployed youth trainings and office executives trainings, the ISDI hosting institutes are requested to provide food and accommodation where ever necessary. APSSDC will reimburse the expenditure incurred for the food, accommodation and consumables and other miscellaneous expenses.

Give wide publicity about these programs locally....

For other programs candidates will make their own arrangements

Pls make the program a grand success.
The complete details are here with attached...

Dear Sir/ Madam,

As per the instructions of MD &CEO,APSSDC, Summer Internship programs (SIPs) are scheduled from 06-05-2019, in Siemens technical Skill Development Institutes (tSDIs) for Unemployed youth, Final year Degree students and Housewives. Along with technical skills, the candidates will be given training on Soft skills and Entrepreneurial skills. Placement assistance will be given to the candidates after successful completion of the course. The courses are

S.No.	Name of the course	Stake holders	Batch Size	Duration
1	Welding	Unemployed youth	20	8 weeks for Unemployed youth and 4 weeks for Housewives and Office Assistants
2	2-Wheeler Mechanism	Unemployed youth	20	
3	4-Wheeler Mechanism	Unemployed youth	20	
4	Electronic Home	Unemployed youth, Housewives	40	
5	Electronic Office	Unemployed youth, Office Assistants	40	

In this connection, the Institution authorities are requested to coordinate with Siemens team in mobilising the candidates to the above courses and to give wide publicity to the Summer Programs through local media. The Institution authorities will have to provide lodging and boarding facilities to the candidates of Office Assistants and Unemployed youth. The consumable expenditure and food & accommodation expenses will be reimbursed by APSSDC.

The Summer Program details are as follows

- i) **For Dropouts and Non-Technical unemployed youth:**
The collage dropouts and non-technical unemployed youth. For the outstation candidates food and accommodation will be provided in the Siemens centres.
- ii) **For Office Assistants:**
Course on Electronics Office will be offered to the degree final year students who have already undergone Office Automation course in the APSSDC. The program is to create the required awareness about various electronic gadgets used in corporate offices and to impart the skill required to maintain and repair the gadgets. For the outstation candidates food and accommodation will be provided in the Siemens centres.
- iii) **For Housewives:**
In t-SDIs, Electronics Home course will be offered to the housewives. The program is to make them capable of repairing household electronic equipment. This course will be offered for a period of 4 weeks @ 3hours per day in two batches. Towards transportation charges an amount of Rs.50/- per day will be given to the candidates after successful completion of the course.

The Location details of tSDIs where the summer courses offered are in the ANNEXURE

Dear Sir/Madam,

Greetings from APSSDC-Siemens...!

APSSDC-SIEMENS project was one of the Prestigious Skillling projects Inaugurated by Andhra Pradesh state skill development corporation in collaboration with 'SIEMENS' in the year 2016-17 to cater the gap between Industry and academia by providing training in high end technologies in various domains. 6 centre of excellences (CoE's) and 34 Technical Skill development institutes (TSDI's) spread all across over Andhra Pradesh are continuously working to impart skills to the technical students. Under this project students are offered with training and hands on experience on industry-oriented world class equipment and software. Nearly 120 types of different courses were offered in 3 different levels i.e. Basic, expert and Master levels related to various fields of Mechanical engineering, manufacturing, Automation, Electrical and electronics to make students suitable for facing industry needs and Challenges. So far 1lakh+ students got benefited under this project.

On this regards, We would like to thank Management of NAGARJUNA ITC COLLEGE, Balusumoodi, Bhmavaram for your expression of interest in sending students of Electrician and R&AC, for technical training at one of our APSSDC-SIEMENS TSDI located in DNR COLLEGE OF ENGINEERING & TECHNOLOGY, Bhimavaram.

Here is the list of Courses and Eligibility criteria available in our TSDI:

S. No	Name of the Domain	Student Eligibility Criteria
1	Electronics Home	Electrician Trade
2	Electronics Office	
3	Electrical Home	

The above listed courses were delivered in Foundation, Expert & Master levels and the time expectancy to complete one level is of **One Week**. During this course, student will be benefited with 80% Hand on Experience about the tools & industry vented machinery through Practical's.

Here I am attaching Course informative brochures for your kind Perusal and Kindly revert back us regarding your interest of sending students

It will be so helpful if you send your candidates for the next two weeks i.e. from 12-Mar-19 to 02-Mar-19, so that we can train them at least two levels in detail.

Feel free to contact me for any queries.

A Waiting for your positive response...

Regards,

5. Lr. No. SBTET/AP/Academic/APSSDC/Training/001, dt: 10-08-2018.

It is to inform that with ref (1) cited above, MD & CEO of APSSDC requested to communicate the mapping details of training of students to the polytechnics concerned. Hence it is proposed to inform the same to concerned principals. The details of mapping (allotment) of students for training in SOLIDEDGE & CNC to APSSDC-SIEMENS centres in various polytechnics is given in the annexure I, II & III.

It is also informed that, for the convenience of students who are studying in Polytechnics which are far from APSSDC-SIEMENS centres, a special activity i.e. Remote Training facility is introduced by APSSDC for courses SOLIDEDGE, CNC and PLC & SCADA. In this the trainer with required software will go the Polytechnic and impart the training in the same campus. The Polytechnic has to allow the trainer to imparting the training in the existing computer centre.

Hence, the Principals of concerned Polytechnics listed in the annexure I are requested to send the students as per the schedule and the Principals of Polytechnics at remote locations listed in the annexure II & III should ready to conduct the training programs in coordination with trainers allotted to the concerned Polytechnics. For further queries regarding remote trainings in CNC, Solid Edge courses, please contact cluster in charges of APSSDC-Siemens Project, whose details are as follows:

To,

Mr. Rama Krishnam Raju, APSSDC,
Director of Talent Edge,

Respected sir,

I take it as a privilege to have your permission to train my students of class 10th in basic skills of handling regular appliances.

I have 78 students of class 10th of the age group 14-15 years. Sensing the necessity of handling appliances, Our DNR management (D.N.R. College of Engineering & Technology) has directed me to take your assistance in equipping my students.

So I request you to kindly provide your training sessions to my students which along with the certificate will be of a great use to the students to have a better future.

Thanking you sir,

Yours faithfully
