

### **3.4.1 EXTENSION ACTIVITIES ARE CARRIED OUT IN THE NEIGHBORHOOD COMMUNITY, SENSITIZING STUDENTS TO SOCIAL ISSUES, FOR THEIR HOLISTIC DEVELOPMENT, AND IMPACT THEREOF DURING THE LAST FIVE YEARS.**

National Service Scheme (NSS) events in college play a pivotal role in fostering social responsibility, community engagement, and personal development among students. These events serve as a platform for young minds to channel their energy towards meaningful and impactful activities that contribute to the welfare of society. Our DNR CET -NSS unit and UBA (Unnat Bharat Abhiyan) organize a number of extension activities to promote institute-neighborhood community to sensitize the students towards community needs. The students of our college actively participate in social service activities leading to their overall development.

One of the primary objectives of NSS events is to instill a sense of civic consciousness in students. Through various initiatives such as vaccination drives, cleanliness campaigns, and awareness programs, students actively participate in activities that address societal issues. This involvement not only benefits the community but also nurtures a sense of empathy and understanding among participants. The aim of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. With this objective five villages had been assigned to DNR CET, to develop them & provide them better solutions of their problems

Extension activities are undertaken, important days are observed and social service programs are conducted in the vicinity of the institute and neighboring villages of Yanamadurru, Gollavanithippa, dirusumarru, Bethapudi, Visakoderru etc., to make students and general public active partners in these activities.

The impact of NSS events extends beyond the immediate community, contributing to the holistic development of participants. Engaging in social service fosters a sense of personal fulfillment and purpose. Students often find that these experiences not only shape their character but also inspire them to pursue careers and lifestyles centered around making a positive impact on society. Moreover, NSS events facilitate interdisciplinary learning. Participants often come from diverse academic backgrounds, allowing for a rich exchange of ideas and perspectives. This interdisciplinary approach enhances the effectiveness of initiatives, as students bring various skills and knowledge to the table

The collaborative nature of NSS events encourages a holistic understanding of social issues and promotes well-rounded development. In addition to fostering a sense of responsibility, leadership, and interdisciplinary learning, NSS events contribute to participants' overall well-being. Engaging in activities that prioritize the welfare of others has been linked to improved mental health and increased life satisfaction. The sense of accomplishment derived from contributing to a larger cause can be a powerful motivator for personal growth and self discovery.

A range of social extension activities like Vanam Manam, International Yoga Day, Meri Mati Mera Desh, Amurtha kalash yatra, Viksit Bharat, Say No To Plastic, Swachh Bharat, International Women's Day, World Health Day, Blood Donation Camps, and creating, Vaccination drive, have been organized by the institute during the last five years in line with the sustainable development goals and environmental protection.

In conclusion, NSS events in college are not merely extracurricular activities; they are transformative experiences that mold socially responsible and conscientious individuals. These events serve as a bridge between academic learning and real-world application, providing students with the tools and perspectives needed to navigate the complexities of society. As students actively participate in NSS events, they not only impact their communities positively but also embark on a journey of personal development that extends far beyond their college year
