Sir,

- Sub: SBTET, AP-APSSDC - Siemens Project – Training facilities extended to Polytechnic students-Training on Solid Edge course for DME students in remote mode-Mapping of Polytechnics to tSDIs - Instructions to the concerned Polytechnics for conduct of the trainings in remote mode – Reg.
- Ref: Lr.No. 54021 (32)/2/2018-PROJECTS-APSSDC, Dated: 09-07-2019 of Managing Director & CEO, APSSDC, Vijayawada.

It is to inform that with ref (1) cited above, MD & CEO of APSSDC requested to communicate the mapping details to the respective Polytechnics for conducting the trainings to the students of 3rd Semester Mechanical Engineering branch listed in the annexure-A. The details of mapping of the institutes with students for training in SOLIDEDGE is given in the annexure-A.

It is also informed that, APSSDC is proposed to conduct training for students studying 3rd Semester Diploma in Mechanical Engineering in Solid Edge course to enhance their skills in Mechanical Modelling of drafted objects. APSSDC is offering the solid edge course for the students at free of cost in 34 APSSDC-SIEMENS centers in Andhra Pradesh.

It is further informed that, for away centres APSSDC has introduced a special activity i.e. Remote training facility for courses in Solid Edge, CNC Programming and PLC & SCADA. **The trainer with required software will go to the concerned Polytechnic and impart the training in the same campus in the existing computer centre with college accompanied staff.**

Hence, the Principals of concerned Polytechnics are requested to spare the students for the above programme of **3rd Semester Mechanical Engineering** students listed in the annexure-A. For further queries regarding remote trainings in Solid Edge, please contact cluster incharges listed in the annexure-B:

Listed in the annexure.

DT: 30-10-2019.

Sir,

Sub: SBTET, AP-APSSDC – Training to first year Polytechnic students-Autocad, Digital Productivity Tools-Mapping of Polytechnics- Instructions to the concerned Polytechnics for sending students as per schedule – Reg.

Ref: Lr.No. 54021 (32)/2/2018-PROJECTS-APSSDC, Dated: 22-10-2019 of Managing Director & CEO, APSSDC, Vijayawada.

It is to inform that as per reference cited above, MD & CEO of APSSDC requested to communicate the mapping details to the respective Polytechnics for conducting the trainings to the students of 1st year Mechanical, Civil, Electrical, Electronics, CME & IT Branches.

It is also informed that, APSSDC is conducting training for 1st year diploma students in different courses to impart multidisciplinary technical skills. The details are as follows:

Branch	Course offered
Mechanical & Civil	Autocad
Electrical, Electronics, CME & IT	Digital Productivity enhancement Tools (Raptor, MIT App Inventor, AWS)

It is also informed that, APSSDC proposed to train 1st year polytechnic students with the available computer facility at the Polytechnic from 4th November, 2019 to 30th November, 2019 for the said trainings.

The detailed schedule is attached in the annexure. The courses are offered at free of cost and the mapped polytechnic is requested to provide food and accommodation to the trainers during the training period.

Hence, the Principals of concerned Polytechnics are requested to spare the students for the above programme of 1st year Mechanical, Civil, Electrical, Electronics, CME & IT Branches students along with Polytechnics listed in the annexure.

Requirements from polytechnics:

1. Needs to provide computer systems (no of systems = batch size)
2. Needs to provide accommodation to the trainers attending the program

Sub: SBTET, AP-SDE&I Dept. – APSSDC – Siemens Centers of Excellence (CoE) & technical Skill Development Institute (t-SDI) – Extending the training facilities to Polytechnic students – Mapping of Polytechnics to tSDIs – Issues of instructions to the concerned for sending the 5 semester students as per schedule – Regarding.
Ref: Lr.No. 54021 (32)/2/2018-PROJECTS-APSSDC, Dated: 04-12-2019 of Managing Director & CEO, APSSDC, Vijayawada.

It is to inform that, as per reference cited above, MD & CEO of APSSDC requested to communicate the mapping details to the respective Polytechnics for conducting the trainings to the final year students of Diploma course in Mechanical, Electrical, Electronics and Automobile engineering of Government/Aided/Private Polytechnics nearer to APSSDC-SIEMENS centers (who doesn't require any additional transportation, food, and accommodation facilities) were mapped and 2951 students trained during August/September-2019.

It is also informed that, the students who were underwent industrial training in the previous Semester (odd semester) were not mapped in the earlier phase. Now as they are in class work, mapped to the nearest Siemens tSDIs (technical Skill Development Institute) was done earlier. A total of 3667 students of final semester are mapped in 5 spells with each spell duration of 6 days and the training programs are scheduled from 09-12-2019 to 11-01-2020. The details are enclosed as Annexure-I.

It is further informed that, the students from various polytechnics of Kadapa District are mapped to APSSDC-Siemens center, IIIT, Idupulapaya as APSRTC providing bus facility in four routes in which the mapped polytechnics are covered. For the students who needs to travel additional distance to reach the specified routes (mentioned in the annexure-II) may reimbursed the transportation expenses or provided bus passes for attending the trainings. The details are enclosed in the Annexure -II.
