REPORT ABOUT THE PROGRAMME

DNR College of engineering celebrated **Engineer's Day** on 15-09-2018 organized by **National Service Scheme (NSS Unit)**. The Engineering Community across India is celebrating Engineers Day on 15 September every year as a remarkable tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya (popularly known as Sir MV). He is held in high regard as a pre-eminent engineer of India. This event is planned to create awareness to students and faculties on Role of engineers in the development of our Nation. Inaugural function started at 11.30 P.M college Seminar Hall. The Inaugural function started with a prayer song sung. The welcome speech was followed by the lighting of lamp by the dignitaries and speaker. S.Haribabu ,Rt.chief engineer, graced the occasion as the Chief Guest and Dr.U Rangaraju principal of DNR CET presided over the function.

Dr U.Rangaraju , Principal of college gave inaugural speech with most updated reviews on achievements and visionary thoughts of Sir Visweswaraya, which have great potential even for ongoing era of engineering. **Sri S.Haribabu**, Rt. chief engineer, the Chief Guest has shared his experience to young engineers and faculty. In his splendid lecture, emphasized on the importance of innovative, low cost and indigenouse technology for construction of durable urban and village roads at a cost at par with that of conventional flexible pavements using an innovative technology developed. The technology paves the way, he said, for construction of cast-in-situ concrete block pavement using recycled plastic cells. This technology creates three dimensional interlocking among the concrete blocks. The cost of such pavement compares favourably with conventional asphalt pavements usually adopted for rural roads. Around 78 Students and 12 faculty members participated in this event.

Name of the programme: Gandhi Jayanthi.

Date: 02/10/2018

Place of conduct the programme: D.N.R College Campus

REPORT ABOUT THE PROGRAMME

The National Service Scheme unit of DNR College of Engineering and technology celebrated Gandhi Jayanthi on 2/10/2018. Gandhi Jayanti is celebrated as a National Holiday in India to mark the birthday of Mohandas Karamchand Gandhi, the 'Father of the Nation'. Gandhi was born on 2nd October 1869; therefore each year Gandhi Jayanti is celebrated on this day. It is observed in all states and union territories of India as one of the three official declared National Holidays of India.

On that day all the staff assembled in administration block. Dr U Rangaraju Principal of DNR CET and HODs pay tribute 'Father of the Nation' and garland to portray of mahamatha Gandhi. V.PRAVEEN NSS program officer told about the greatness of Gandhi in freedom movement. He also explained about the experiences of Gandhi with truth and "satyagrah" moment in India.

Dr.U Rangaraju, Principal of DNR CET is given a message about Mahatma Gandhi and also explained Mahatma Gandhi's favorite song 'Raghupati Raghava' is customarily sung at all meetings associated with him..

As a part of this special day, the staff of DNR College of Engineering and technology participated in cleaning program and plastic waste management. DNR College of Engineering and technology staff devoted their day for cleaning the campus to promote a sense of cleanliness.

Name of the programme: **REPUBLIC DAY**

Date: 26/01/2021

REPORT ABOUT THE PROGRAMME

Our college celebrated India's 72nd Republic Day with great élat. The students took pride in glorifying and celebrating the spirit of unity. The programme began at 9.30am. The chief guest for the day was Sri. G.V Narasimha Raju, President, DNR College Association. The Management members, Principal, Staffs and students were welcomed by our house captains.

The guest members were presided to the flag hoisting ceremony by our college band team. Our chief guest hoisted the National flag, the students saluted the National flag and pledged to up hold the honour and integrity. The President highlighted the importance of the Constitution and its unique features such as Sovereign, Socialist, Secular, Democratic and Republic enshrined in the preamble of the constitution. He also gave an insight on the various accomplishments achieved by college and motivated the crowd for bringing more laurels for the college through their accomplishments. The speech was followed by the National Anthem, various other representations of the classical art forms in the different dances and songs performed by the students, giving a glimpse of the diversity in unity of the nation and the Guard of Honor.

The students dispersed after snacks with the image of the fluttering tricolour in their mind and heart. May we continue celebrating this day forever!

Report on Ambedkar Jayanthi

Date: 14/04/2021.

Subject: - “Dr. Bhimrao Ramji Ambedkar Birth day Celebration “

Academic Year:-2020-21

Time: 11:00 to 1:00 PM

Venue: – College Seminar Hall

Report

Bhimrao Ramji Ambedkar (14 April 1891 – 6 December 1956) was an Indian Jurist, Economist, and Social Reformer who fought economic and social discrimination against the untouchables (now known as dalits) in India's Hindu society, and who later renounced Hinduism and inspired the Dalit Buddhist movement. Ambedkar served as chairman of the drafting committee of the Constitution of India, and Minister of Law and Justice in the first cabinet of Jawaharlal Nehru from 1947 to 1951. He is also referred to by the honorific **Babasahe**.

Ambedkar was a prolific student, earning doctorates in economics from both Columbia University and the London School of Economics, gaining a reputation as a scholar for his research in law, economics and political science. In his early career, he was an economist, professor, and lawyer. His later life was marked by his political activities; he became involved in campaigning and negotiations for India's independence, publishing journals, advocating political rights and social freedom for Dalits, and contributing significantly to the establishment of the state of India. In 1956, he converted to Buddhism, initiating mass conversions of Dalits.

In 1990, the **Bharat Ratna**, India's highest civilian award, was posthumously conferred on Ambedkar. The salutation **Jai Bhim** (lit. "Hail Bhim") used by followers honours him.

The 130th birth anniversary of Bharat Ratna and architect of Indian constitution Dr. Bhimrao Ramji Ambedkar was celebrated with traditional fervor and enthusiasm in DNR College of Engineering & Technology. The program started with floral tribute to Dr.B.R.Ambedkar. The one-day event was planned to bring out the multi-faceted personality of Dr.B.R.Ambedkar through speeches along with spectacular cultural activities. Many students from all institutes of SRGI graced this occasion.

The program jointly organized by DNR CET and highlighted the importance of bringing Amedkarite movement to the masses and in the mainstream media using and creating a unique cultural identity. The world and civil society needs to follow Dr. Ambedkar's thoughts in a contemporary political situation to tackle oppression of a marginalized segment of society. With this event, DNR College of Engineering & Technology has maintained its annual legacy of celebrating birth anniversary of Dr. Ambedkar with great strength and enthusiasm.

After the completion of this program Dr.G.V.Raju, Principal, DNR CET concluded with vote thanks.
